

Greetings From Premier Ghiz

On behalf of the Government of Prince Edward Island I would like to extend warm greetings to all delegates, presenters and family members attending the Canadian Foster Family Association National Conference being held in Charlottetown from May 9 - 14th.

Your conference theme, 'Building Bridges', is indeed appropriate; our Confederation Bridge keeps us linked to the mainland while your foster families bridge the gap between less fortunate children and safe, reliable homes.

The information provided to you during the conference will prove beneficial as care givers, social workers, and child and youth care workers continue to work together to enhance the quality of care provided to children in Canada.

Good luck with your deliberations and enjoy the conference!

A handwritten signature in black ink, appearing to read 'R. Ghiz'. The signature is fluid and cursive, with a long horizontal stroke at the end.

Premier of Prince Edward Island
